**Tao Digital India Private Limited, Hyderabad**

01/2025 - 10/2025

- Accurately labeled, segmented, and classified large datasets including text, image, audio, and video to train and enhance machine learning models
- Conducted detailed quality checks to ensure consistency, accuracy, and reliability of annotated data across multiple projects
- Utilized annotation tools efficiently while maintaining data confidentiality and adhering to organizational quality standards.
- Collaborated with cross-functional teams to resolve data inconsistencies and improve workflow efficiency
- Suggested process enhancements that improved data validation accuracy and reduced task completion time
- Adapted quickly to new tools, technologies, and formats to meet evolving project requirements

## Internship Experience

---

- **Software Developer Intern**

1/2024 - 6/2024

**RG2 IT SOLUTIONS INDIA PVT LTD - Hyderabad**

- Gaining hands-on experience in web development through real-world projects i.e., Ride Share and Mimamsa
- Designed and developed dynamic and responsive websites using HTML, CSS, JavaScript, Java and SQL.
- Assisting in the implementation of back-end functionalities to enhance application performance and user experience.
- Collaborating with the development team to troubleshoot and resolve issues, ensuring smooth project execution

- **Salesforce Administrator and Developer**

09/2023 - 10/2023

**Cognizant Foundation, ICT Academy - Khammam**

- "SBIT CRM" developed for Students. Teachers Managers and HR Companies These objects storing and to access data.
- According to ERD, BRD worked on Users, Profiles, and Permission Sets. Created Custom Objects, Custom Tabs and Rollup Summary Fields for UI.
- Developed new customized Page layouts with Record Types for users, profiles, Roles and Subordinates.
- Worked on Data Management like Data Import and Export. Used Process builder, Lightning Pages, Components configured and customized.
- Created and Customised the Visualforce pages, Apex Classes, Triggers different Methods and Tested.

## Education

---

- **Swarna Bharathi Institute of Science and Technology - Khammam** 2020 - 2024  
B. Tech  
8.0
- **Resonance Junior College - Khammam** 2018 - 2020  
MPC  
9.5
- **New Era Public School - Khammam** 2017 -2018  
SSC  
9.3

## Skills

---

- Communication
- Adaptability and Leadership
- Quality assurance
- Time Management abilities
- Teamwork and Collaboration
- Attention to detail and Organization
- Critical thinking
- HTML and CSS
- SQL
- Java

## Projects

---

- **BLIND STICK USING ULTRASONIC SENSOR AND VOICE MODULE**  
**Tools:** Microcontroller, Ultrasonic Sensors, Voice Module, Power Supplier
  - Designed a smart assistive device aimed at improving mobility and safety for visually impaired individuals
  - Integrated ultrasonic sensors to detect obstacles and provided real-time audio feedback using a voice module
  - Collaborated in hardware assembly, testing, and performance calibration to ensure accurate detection and reliability
  - Demonstrated strong teamwork, problem-solving, and innovation throughout the design process
- **Contactless Microwave Tomography via MIMO GPR**  
**Tools:** MIMO Radar, UWB Antenna, RF Frontends, Data Acquisition Systems, Signal Processing Algorithms, Environmental Monitoring
  - Developed a prototype imaging system to visualize underground structures using a contactless Ground Penetrating Radar (GPR)
  - Assisted in data acquisition, signal processing, and analysis for environmental monitoring applications
  - Focused on accuracy and precision during testing, ensuring consistent data quality and performance validation
  - Strengthened analytical and documentation skills by compiling results and preparing technical reports

## Interests

---

- Classical dance
- Drawing

## Languages

---

- Telugu
- Hindi
- English
